

YOUNG SHIRE COUNCIL

**CROWN ROAD DEDICATION AND
MAINTENANCE
POLICY**

NO 40

DATE ADOPTED: 21/8/13

1. All through roads considered necessary be dedicated as public roads. Property access roads be dedicated where necessary to the last property boundary provided that each property be entitled to no more than one dedicated public road access.
2. That where Council has previously maintained a Crown Road that maintenance only be carried out to the last property boundary or to the first gate;
3. That the level of maintenance beyond the dedicated portion or the second last property residence access road be restricted to basic maintenance in the form of grading and table drain maintenance with any gravel resheeting or improvement works to be at cost to the last property owner.
